

JUMP INTO JUNE SPECIAL ONE-WEEK CAMP

Start summer off with a splash! Join us from June 11-15 for a special fun-filled one-week camp! Campers will enjoy outdoor activities, play sports, unleash their creative side, prepare and share tasty treats and explore the world around them!

Here is just a sampling of the fun we will have for this special camp:

- How does an elephant brush its teeth? Come to camp this week to find out and even create your own elephant toothpaste!
- Participate in the "Wacky Olympic Games" with fun activities like sprinkler synchronized swimming, balloon volleyball and happy hurdles, just to name a few.
- Enjoy cool and delicious snacks that the campers create each day, such as watermelon ice and fresh and fruity popsicles.
- Learn to paint like Jackson Pollock to create a group mural, and so much more!
