### REGISTRATION

A \$150 registration fee, book/supply fee along with the first installment of the tuition are due with your application. The \$150 registration fee is non-refundable. Please make checks payable to "Trevoese Day School".

### TUITION

Tuition is an annual non-refundable fee that must be paid regardless of whether your child completes the school year (whether in-person or by remote means). Tuition may be paid in full at the time of application, or, alternatively, in 10 equal installments (the "Installment Plan"). The Installment Plan is offered solely for the convenience of parents/guardians. Your first payment is due with your application before the beginning of school. Each subsequent installment payment is due on the first of each month, with the second payment being due on September 1 and the last payment being due on May 1. A \$50 late charge will be assessed for late payments or for returned checks. If a check is returned for insufficient funds, all future payments must be made with a certified check or cash.

No adjustments will be made to the tuition for any reason whatsoever, including days missed due to weather, illness, vacations or shortened months or when the School is mandated to operate on a remote basis, or elects to do so for safety or health reasons.

### WITHDRAWAL

A parent wishing to withdraw their child before the school year begins must notify the school in writing at least two (2) months prior to the first day of school. Any parents withdrawing their child before the end of the school year are not entitled to a tuition refund and, if paying under the Installment Plan, are responsible for all remaining tuition payments.

Must be included with registration:
