PROGRAM INFORMATION

My child will attend:

- YOUNG EXPLORERS CAMP 3 - 6 Years 9:00AM - 3:00PM 6/19 thru 8/11
- SUMMER OF LEARNING AND FUN 6 - 10 Years 9:00AM - 3:00PM 6/19 thru 8/11
- NEW STUDENT PROGRAM RATE

- SINGLE CLASS OPTION 3 - 6 Years 9:00AM - 3:00PM 6/19 thru 8/11

- EXTENDED MORNING HOURS 8:00AM - 9:00AM
- EXTENDED AFTERNOON HOURS 3:00PM - 5:00PM

ACTIVITY FEE:

\$30 Per Week

WEEKS OF ATTENDANCE:

- 6/19 6/26 7/3 7/10 7/17 7/24 7/31 8/7

PERMISSION

I agree to comply with all rules and regulations regarding fees, attendance, health and safety codes, clothing and additional items deemed necessary for the health and well being of my child. I also give my consent to Trevo Day School's management and staff to make such decisions necessary for my child's well being in the event of emergency.

I agree to have Trevo Day School bill me for my child's summer program and understand the first half of full tuition payment is due on or before June 1, 2023 and the final half of tuition payment is due on or before July 1, 2023. A \$50 registration fee is due with the application.

YOUNG EXPLORERS CAMP PROGRAM

Our Summer Camp Program is a fun and exciting opportunity for children to spend time with friends while participating in academics, coding, nature activities, and more in a fun, engaging, hands on manner.

Children ages 3-6 will explore science, technology, engineering, art and math through fun and highly educational hands-on activities- sparking creativity and critical thinking skills. Our focus is to offer the best possible learning through hands-on, project-based activities that grant children an opportunity to solve real-world problems through out-of-the-box thinking skills.

We begin with interactive pre-coding activities, progress to using our Bee-Bots and then onto programs such as Scratch Jr.

In accordance to CDC measures, our staff will work hard to make sure the camp experience allows your child to be socially distanced while being recreationally present.

SCHEDULE:

9:00AM - 9:15AM Morning Meeting

9:15AM - 10:15AM Academic Hours
Every morning, children will reinforce math and reading skills with hands-on, individualized activities. We want to maintain and build these skills throughout the summer for each and every camper.

10:15AM - 10:30AM Morning Snack

10:30AM - 12:00PM Coding & Technology Activities
Children will engage in precoding, coding & technology activities every day as part of their summer experience. Hands on activities will prepare every child for future coding experiences.

12:00PM - 12:30PM Lunch

12:30PM - 1:00PM Outdoor Play

1:00PM - 3:00PM Afternoon Activities
Each afternoon, campers enjoy a variety of enriching activities; nature studies, engineering fun, sports, arts, and so much more. Campers will have a blast completing building challenges; learning how to care for chickens and observing eggs hatch in our own coop and incubator; painting, sculpting, and creating many of their very own masterpieces; and testing out different sports activities for fun!

STEAM SUMMER OF LEARNING & FUN

Science, Technology, Engineering, Art & Math take center stage this summer, keeping our camper's young minds growing and engaged. Children ages 6-10 work on teams for in-house robotics competitions using Dash & Dot, engage in weekly STEAM challenges, how to code using Scratch & other coding games and so much more! Campers will work collaboratively on teams and individually. Weekly specials include Art, science, nature, and music. In house programs will also provide a well rounded and exciting environment.

SCHEDULE:

9:00AM - 9:30AM	Morning Meeting
9:30AM - 11:30AM	Morning STEAM Session
11:30AM - 12:00PM	Lunch
12:00PM - 12:30PM	Recess
12:30PM - 3:00PM	Afternoon STEAM Activities
