

TREVOSE DAY SCHOOL

YOUNG EXPLORERS CAMP PROGRAM

Children ages 3-6 will explore science, technology, engineering, art and math through fun and highly educational activities.

All campers will experience our exciting enrichment classes including chess, horseback riding, in-house field trips and more!

Choose your child's weeks and days to suit your schedule.

MONDAY

9:00 a.m. - 11:30 a.m.

Creative Cooking

Your camper will have a blast cooking up homemade recipes, while brushing up on their math and reading skills. Our young chefs will chop, mix, pour, and taste a variety of different foods. Next, they'll gather around for story time and snacks to delight in their creations. *Children will be sent home with print outs of the recipes to try at home.

11:30 a.m. - 12:30 a.m.

Lunch & Creative Play (For children staying all day)

12:30 p.m. - 3:00 p.m.

Skill Builder

Let the learning continue! Our campers will spend an afternoon engaging in exciting math activities, reading reinforcement, and much more! The children will be able to have individualized lessons and explore the room to further build their skills.

TUESDAY

9:00 a.m. - 11:30 a.m.

Music and Movement

Fly like a bird, melt like the snow and sail on a pirate ship! Campers will learn how to incorporate physical movement to create mini performances. This time will be used to develop large and fine motor skills, coordination and rhythm, while exploring expression through music.

11:30 a.m. - 12:30 a.m.

Lunch & Creative Play (For children staying all day)

12:30 p.m. - 3:00 p.m.

Coding Kids

Campers will learn pre-coding and coding skills through fun, hands-on games and activities. As mini-computer programmers, they'll learn to promote logical thinking and problem-solving skills.

WEDNESDAY

9:00 a.m. - 11:30 a.m.

My Artistic Self

Our budding artists will dive into two- and three-dimensional art using a variety of techniques and materials. Campers are encouraged to develop their unique styles while building their art vocabulary and skills.

11:30 a.m. - 12:30 a.m.

Lunch & Creative Play (For children staying all day)

12:30 p.m. - 3:00 p.m.

Once Upon a Time STEM

Inspired by characters and situations, campers will design solutions to engineering challenges. Great fun for the budding builder in your life!

THURSDAY

9:00 a.m. - 11:30 a.m.

Mad Science

Young summer scientists will participate in hands-on learning experiences that explore a variety of science topics. Each class is designed to engage the curious nature of young children as they take part in stimulating demonstrations, perform simple experiments and discover how science works all around us!

11:30 a.m. - 12:30 a.m.

Lunch & Creative Play (For children staying all day)

12:30 p.m. - 3:00 p.m.

Sports Zone

Our campers will run, jump, shoot and score! Campers will engage in an assortment of movement games, learn new sport skills, and have fun while engaging with friends!

FRIDAY

9:00 a.m. - 11:30 a.m.

Field Trip Friday!

Join us each Friday for an in-house field trip! Exciting interactive visits where children can interact with animals, watch performers, and try their hands at some science fun!

11:30 a.m. - 12:30 a.m.

Lunch & Creative Play (For children staying all day)

12:30 p.m. - 3:00 p.m.

Little Nature Observers

Campers spend their time outside, observing nature up close with tools like binoculars and magnifying lenses. Science concepts are introduced in a fun environment, with crafts, games and hands-on activities. Children will learn some plant identification, work in our gardens, go bird watching and make fairy houses.
